

Rexel USA, Inc. is committed to promoting accessibility, diversity, and inclusion. We believe all our guests should be able to easily shop online, use our smartphone apps, and access all of our other web sites and digital offerings.

We strive to create an inclusive and barrier-free environment.

**REXELUSA.COM, GEXPRO.COM, PLATT.COM AND ITS MOBILE APPLICATIONS ARE ACCESSIBLE.**

We make every effort necessary to meet online usability and design requirements recommended by the World Wide Web Consortium (W3C) in its Web Content Accessibility Guidelines, as well as requirements under the Twenty-First Century Communications and Video Accessibility Act of 2010.

We use design standards that help customers identify, interpret, understand and interact with information presented on our web sites and mobile apps.

**SOFTWARE RECOMMENDATIONS AND SETTINGS.**

We follow W3C's globally recognized standards to provide content that is compatible with computer-based assistive technologies and browsers. We recommend using the most current versions of (or the version released just prior to) the manufacturer's assistive technology applications, along with current versions of browsers. We also recommend trying different types of browsers with assistive technology applications to determine which combination works best for you.

Additionally, we support screen magnification technologies and accessibility features — like zoom, color, and other image controls — that major browsers provide.

We don't provide assistive technology applications or browsers. Please visit the individual manufacturer's site for information about how to obtain them. You may also have access to assistance from local and state agencies or non-profit groups in your area.

**WE WANT TO HEAR FROM YOU.**

If you would like to give us feedback about accessibility at Rexel USA, Inc.

please email your comments and suggestions to [accessibility@rexelusa.com](mailto:accessibility@rexelusa.com).
